Dalinda B. Reese, MD (USA), MTS, MA
dalinda@dalindareese.com

Summary:

Dalinda Reese retired from medicine in 2019 to refocus her energies and complete a Masters in Spiritual Care and Psychotherapy. She is a lifelong learner and passionate about integrating knowledge, wisdom, and values into living a whole and meaning-filled life. As a fellow traveler on the journey of life, she delights in shared exploration and discovery of the beauty, diversity, and interconnectedness of life. Although years of training and practice as a physician undoubtedly inform her thinking, Dalinda's views do not represent the views of medicine and her current work is non-medical in nature.
